Jennifer,  
Please see attached (and below).

- **Oak Ridge Reservation (DOE), Wastewater Management Dispute:** Administrator Wheeler issued the dispute decision on 12/31/2021. Assistant Administrator for OLEM, Peter Wright, sent a follow up letter to DOE and TDEC on 01/19/2021, including a table of the Applicable or Relevant and Appropriate Requirements that identifies the federal and state regulations to be added to the waste water Focused Feasibility Study.

Need to remove upcoming date for Petroleum Products. Also, need to add latest on Oak Ridge regarding Peter Wright's transmittal of the ARARs table.
